VOL. III., N°. 120. SHANGHAI, SATURDAY, DECEMBER 25, 1852. PRICE, D^rs. 15 ₹ ANNUM.

ARRIVAL OF THE 25TH OCTOBER MAIL.

The *Erin*, steamer, has just arrived with English, Indian, and Southern Mails. This being Christmas Eve and a Holiday with our Compositors, we can only state that the December Mail will leave Hongkong on the 28th instant, so that there is no chance now from this, but we are glad to add that the steamer is reported for the 2d or 3d January, to take down the mail to meet the *Bi-monthly* which will leave Hongkong on the 10th next month.

Promise is taken—Admiral Austen died there. We have only room to add:—

Rumours are in circulation in the political circles pointing at changes in the Cabinet, which the admitted mediocrity of some of its junior members seem to render exceedingly probable. Similar rumours have been for a long time, in one shape or another, bruited abroad; but as we approach the opening of Parliament, when the strength of the administration will be put to the test, they assume a more definite form. It is said that of the persons who consented to accept office for the sake of aiding the party, no less than seven have placed their offices at the disposal of Lord Derby; if he can find more able and weighty men to fill them. The likelihood, also, of a junction with Lord Palmerston is talked of; and it is supposed that his lordship would not be unwilling to entertain such a treaty on similar conditions to those upon which the coalition between the Whigs and Lord North was constructed, namely, that he should be empowered to bring into the Cabinet a contingent of his own, equal in numbers to the colleagues of Lord Derby.

Parliament was prorogued in form last Thursday, and will meet "for business" on the 4th of next month. It is a curious coincidence that the same day has been selected by the French President for convening the Senate.

The progress of the President at Bourdeaux, the triumphant entry of the same ubiquitous personage into Paris, the meeting of ministers and the unanimosity of the Senate for the 4th November, with a view to the deliberate inauguration of Empire, some say in December, others in May, are the events which the last fortnight has crowded into the historical canvas of France.

THE SERPENT.—A large Serpent of the Boa species was found yesterday morning in the fore-peak of the barque *Antelope*, now lying in Mr. Dewsnap's dock. As there are no serpents of this description in this country, it is supposed that the animal came from Bombay in the vessel, and has since remained on board of her, especially as noises, for which no cause could be given, have often been heard on board of her at night. The vessel has been wrecked and has been for some months on the bank, and it is a curious circumstance that the serpent should have retained its old quarters such a length of time. He measures 10 feet in length and 11 inches in circumference, and can be seen nailed to the flag staff of the "Seamen's Home," *Hong-qua*.

HOLLOWAY'S OINTMENT.

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS' SUFFERING.

Extract of a Letter from Mr. William Galpin, of 70, Saint Mary's Street, Weymouth, dated May 15th, 1851.

To Professor HOLLOWAY,

SIR,—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without scars or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow creature. (Signed) WILLIAM GALPIN.

A PERSON 16 YEARS OF AGE CURED OF A BAD LEG, OF 30 YEARS' STANDING.

Copy of a Letter from Mr. Wm. Abbs, Builder of Gas Ovens, of Rockcliffe, near Huddersfield, dated May 31st, 1851.

To Professor HOLLOWAY.

SIR,—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure, in so short a time, that few who had not witnessed it would credit the fact. (Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England, Chemist, 13, Market-Street, Huddersfield.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract of a Letter from Mr. Frederick Turner, of Pensharst, Kent, dated December 13th, 1850.

To Professor HOLLOWAY,

DEAR SIR,—My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends. (Signed) FREDERICK TURNER.

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a Letter from John Forfar, an Agriculturist, residing at Nerborough, near Hexham, dated May 15th, 1850.

To Professor HOLLOWAY,

SIR,—I was afflicted with a swelling on each side of the leg, rather above the knee, for nearly two years, which increased to a great size. I had the advice of three eminent Surgeons here, and was an inmate of Newcastle Infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment I determined to try them, and in less than a month I was completely cured. What is more remarkable, I was engaged twelve hours a day in the Hay Harvest, and although I have followed my laborious occupation throughout the winter, I have had no return whatever of my complaint. (Signed) JOHN FORFAR.

AN INFLAMMATION IN THE SIDE PERFECTLY CURED.

Copy of a Letter from Mr. Francis Arnold, of Broadoaks, Laddian Road, Reigate, dated April 19th, 1851.

To Professor HOLLOWAY,

SIR,—For more than twenty years my wife has been subject, from time to time, to attacks of inflammation in the side, for which she was bled and blistered to a great extent, still the pain could not be removed. About four years ago she saw, in the papers, the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial. To her great astonishment and delight she got immediate relief from their use, and after persevering for three weeks the pain in her side was completely cured, and she had enjoyed the best of health for the last four years. (Signed) FRANCIS ARNOLD.

The Pills should be used conjointly with the Ointment in most of the following cases:—

Bad Legs,	Chilblains,	Fistulas,	Sore-throats,
Bad Breasts,	Chapped,	Gout,	Skin-diseases,
Burns,	hands,	Glandular	sores,
